To: Christopher Lyle & Jade

All I can say is WOW! You guys were great. Everyone really seemed into your show and we all enjoyed the balloon animals that Jade was making for the kids. I was wondering if you do school shows? If so, I have some contacts in the Denton ISD that I would be happy to pass your name and information onto. Please send me whatever promotional information you have, and we can see what happens.

Thank you again for your performance. IT WAS PHENOMENAL!

Sincerely,

A handwritten signature, possibly "D. Lyle", enclosed in a hand-drawn circle.
