Christopher & Jade,

Your Magic and Illusion Show was out of this world! I had never seen a live Magic Show before...only on TV. I must admit that when I watch a Magician on television, I'm a little skeptical...but I can't be when I'm seeing everything happen just a few feet away. You were absolutely amazing!!!!

All of our employees had a really good time and you were certainly the hit of the evening. We will make sure to have you back to entertain us all again real soon.
