To: Christopher Lyle

Thank you very much Christopher for entertaining my clients at Famous Footwear on May 20th and 21st, 2000. I understand that you were a big hit at both the Vista Ridge Mall and Old Orchard Locations.

The General Managers of both stores commented on how much energy you brought to your performances and how delighted all of their customers were by your Magical Talents.

Thanks again for making Complete Country Carnival look good. Your Magic and Professionalism did us proud! We will keep your information on file should we require your services in the future.

Thanks Again,

Pam Cox
