Re: Weekly Magic

Christopher,

Please accept my gratitude for all that you do for my restaurant. We were really left in a bind when our other Magician left so suddenly. You jumped in and really bailed us out of a tough spot.

In the last 3 months that you have been performing at Golden Corral, several things have happened:

- Our Wednesday Night Business has improved by 8%
- The atmosphere of the restaurant has become much warmer and more family oriented.
- We are seeing many more families enjoying our environment than we have in the past few years.
- Our employees are having fun and enjoying themselves at work.

So few times do people really take the time to thank people that provide a good service. Well Christopher, I wanted to let you know just how much your talents are appreciated by all of us here.

As much as we enjoyed having The Amazing Brian perform for us, we are equally proud to have you as part of the Golden Corral Family. We hope that this relationship will continue for many years to come.

Sincerely,
