

Christopher,

Thank you for performing for our parents anniversary dinner. Your close up magic was very entertaining. My father said that he's seen quite a few Magicians in his 75 years, but that you, BY FAR, were the BEST!

Personally, I would like to say it was a nice touch the way you worked in their 50th Anniversary Wedding Bands into the show. It was the perfect way to end your show and the perfect way to cap off a wonderful evening.

Yours Truly,

Susan Anderson
